Ellie's Dream Playground

Ellie loved to paint and imagine. One day, she discovered a magic paintbrush that brought her artwork to life! She painted a beautiful playground, complete with swings that reached the clouds, a slide that sparkled like diamonds, and a jungle gym shaped like a friendly dragon. Suddenly, the playground appeared before her eyes! Ellie ran and played on the swings, slid down the sparkly slide, and climbed the dragon's scales. Her imagination had created something truly magical!
