Theme : First Aid & Staying Safe

A. Story Time : Safety Fox helps kids cross the road.

Safety Fox to the Rescue

Every morning, Safety Fox put on his bright yellow vest and grabbed his whistle.

“I’m here to keep kiddos safe!” he said, wagging his fluffy tail. At the corner of Maple Street, he held up his stop sign and called out, “Look left, look right, then left again! Now go!” The kids giggled and waved as they crossed, safe and sound.

One day, little Pia tripped on her shoelace and scraped her knee. “Ouch!” she sniffled. Safety Fox zoomed over, pulled out his Super Safety Kit, and gently cleaned her wound.

“There! A paw-print bandage just for you!” he smiled. Pia grinned. “You’re the best, Safety Fox!” He tipped his hat. “All in a day’s work. Safety first, always!”
